

**Heavy-duty Single-strap CPU Holder**

ErgoAdvantage CPU holders are size adjustable and mount under the work surface without taxing leg-space. All holders can rotate 360 degrees making the CPU accessible from the front and back.

ErgoAdvantage is pleased to bring you a 45-pound capacity CPU holders that suits the needs of professional offices which deploy both traditional stationary and adjustable-height desks. Available in a single or double extension track length providing a wide range of positioning options, our 64 Series CPU holders offers the simplicity and flexibility of the breathable fabric mesh sleeve which safely and securely contains your CPU, laptop or other hardware which must be easily accessible from the desktop. Add the optional locking mechanism to protect your valuable hardware investment yet remove it easily when maintenance is required.

**Heavy-duty Single-strap CPU Holder** — ○  
64.ELVTR0\*

360 degree rotation for easy access to cords, cables and maintenance.

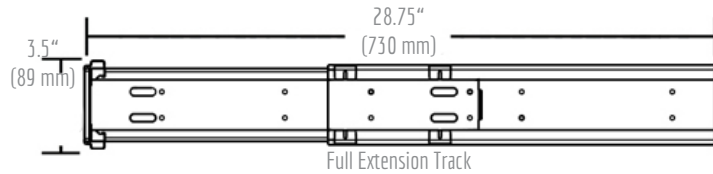

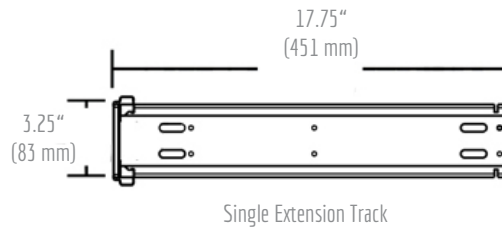

Adjustable mesh sling accommodates CPUs of varying sizes and laptops as well.

*Technical Specs* — ○

- Supports up to 45lbs (20.4kg)
- Non-locking
