CONTEMPORARY

Morpheo: In perfect harmony > Contemporary lines, distinctive finish, spacious work surfaces: a quick glance is all you need to appreciate the beauty of this collection. With nearly unlimited configuration possibilities, this collection will shape your environment to suit your own personal style. Selecting Morpheo will definitely give you an elegant and efficient workspace, perfectly tailored to your needs.

The addition of large storage units with drawers and translucent doors makes this workstation very functional. Morpheo furniture, Cherry finish, and anodized aluminium kickplate. Fortune seating by United Chair.

FLOATING STYLE

From the Morpheo collection: an elegant Y-shape table, Caramello finish; wall-mounted hutches with sliding doors, Snow finish; upholstered tackboards. FreeStyle seating by United Chair.

TAKE CONTROL

For a functional wraparound signature look, choose our ellipse table with an asymmetrical return. Shown here: Morpheo furniture with Natural Maple and Anthracite Grey finishes. Onyx seating by United Chair.

COLLABORATIVE

Morpheo Adapts to Your Needs

You can, for example, add rails to accommodate accessory holders, such as our horizontal and vertical document trays to your workstation; you can even add electrical modules to plug in all your various devices and equipment. It's as simple as that!

Morpheo collaborative-type configuration, Natural Maple finish, with steel lateral filing/storage units in a Metallic Silver finish, with a laminate top for perfect harmony. Rails and accessory trays, Silver finish. Electrical modules on work surfaces. Affinity seating by United Chair.

A True Chameleon

Just like a chameleon, Morpheo fits into your environment perfectly! This furniture collection lets you bring your personal style into your environment. How? By offering you many choices: finishes, thickness of work surfaces, doors and modesty panels in either laminate or translucent acrylic, a complete selection of handles, legs, etc.

And that's not all! With Morpheo, your dreams are shaping up. You can now have your very own ergonomic furniture with spacious work surfaces, either contemporary or wraparound functionality, a signature floating top profile and numerous storage options. Just by adding PanGram laminate panels and acrylic screens, you will create privacy without compromising style.

Go for it: Take control of your own world
