MAINSTREAM MODERNITY

Life is characterized by motion and evolution. Always looking ahead is one of the core values at Groupe Lacasse and this has inspired us to create Nex, an avant-garde collection of breathtaking design and innovative functionality. Its features extend the conceptual boundaries of traditional office furniture. As a testament to this, Nex was awarded a prestigious *Innovation Award* at IIDEX/NeoCon Canada 2012 recognizing its outstanding design. Nex is the genesis of modern and urban office furniture that will definitely satisfy your desire for sophistication and distinction. Its uneven landscape, varying volumes and proportions will appeal to your style and your personality. The future is Nex... and well within your reach.

Double-station Nex layout with overlapping surfaces on low storage units. Wall-mounted tackboards with accessory rails. Caramello finish with High-Gloss Black fronts. Affinity seating by United Chair.

Amazing L-shaped Nex workstation with wall-mounted hutches and tackboards with accessory rail. Grigio and Snow finishes with hutch fronts in High-Gloss White. FreeStyle seating by United Chair.

INSPIRING STYLING

Timeless classic black and white shine through in this spectacular collection giving way for stylized layouts. You can see the mat and glossy finishes blend perfectly together to create a visually attractive collection.
