

Indiana[®] FURNITURE

Veneer

- Exposed surfaces are select grade hardwood veneers in cherry, maple, walnut or composite
- Drawer fronts are 3-ply construction and $\frac{3}{4}$ " thick with vertically matched grain
- Select grain patterns are used to maintain consistency and proper balance between units

Tops

- Veneer or high pressure laminate work surface tops are 1-3/16" thick and 3-ply balanced construction
- Tops have 3 mm wood rims that are contoured to the selected profile on the user and approach sides of desks. Other units are profiled on user side only.

Drawers

- Drawer fronts are 3-ply construction and are attached to drawers boxes (5-sided construction) for easy removal
- Drawer sides and backs are 1/2" wood-grained vinyl wrapped with 1/8" thick hardboard bottoms
- Lateral files have 1/4" thick hardboard bottoms for storage applications
- High quality suspensions with a lifetime warranty
- Box and file drawers are full extension, progressive action slides with precision steel ball bearings to ensure a smooth ride
- Accommodates legal or letter filing
- Box and file drawers are tested for 100 lb capacity and file drawers are tested for 150 lb capacity

Locking

- All desks, credenzas, returns and files feature standard locking
- Pedestal locks secure all drawers with the turn of a single key
- All units ship randomly keyed as standard or can be keyed alike at no additional charge
- Removable lock cores for re-keying

GESO – Continued

Assembly

- European-style construction with mechanical fasteners
- Structural joints secured by 16-gauge steel angle brackets
- Wire management is standard in returns, bridges, credenzas, corner units and hutch units
- All pedestals have wire management access from pedestal to kneespace
- Heavy-duty adjustable glides ensure proper leveling and compensate for uneven floors
- Full or $\frac{3}{4}$ pedestals with full modesty panels are standard

Finish

- Indiana Furniture features a *UV Advantage*[®] finish that is made to last and preserves the clarity of our products and earns LEED Credit 4.5 for low-emitting materials
- Satin finish standard
