Finish/Species - SilverGrey on Oak
 Finish/Species on Cover - Regular Walnut/ White Palette

Artemis Media Hubs and Media Walls are an ideal solution for flexible work environments, within a compact footprint providing meeting space, media access, and storage. Media Hubs (shown this page) offer more sophisticated design elements, shelving and interior access; Media Walls (shown on page 4) are simpler and more compact. Media Hubs can be configured with or without a runoff top, (Media Walls need to be specified with a runoff top). Runoff tops can be specified at desk height as well as bar height.

Finish/Species - Clear Maple/White Palette

Height-adjustability options in Artemis include the sit/stand table desk shown here - it can be configured as the primary or secondary worksurface, and as a stand-alone table or integrated within the other components of an office, and provides a better, healthier way to work.
