

Trig[®]

Trendway[®]

It's how we work today.

From kinetic teams to focused solo work and those who drop in now and then, Trig® offers modular solutions for modern workstyles. Combine shapes, sizes and storage as you like. Trig lets you easily create a space to suit your needs.

Trig out your office

Trig shown with Designer White laminate desk and Wild Cherry edge. Credenza in Designer White laminate with Wild Cherry drawers and edge. Modern pulls. Features Sketch Mesh seating with Momentum Silica, Cloud on seat.

With Trig, stylish private offices blend with hardworking personal spaces, making it simple to meet so many of your company's needs. And the low, slender lines mean everyone gets to share the sunlight. Create harmony and keep the budget intact. It's easy with Trig.

Work, meet life.

Trig is designed for people, not just workers. Sure, there's space for files and work tools, but there's a spot for your gym bag and your music, too. With a friendly, personal scale and an almost residential style, Trig desking makes you feel right at home so you can get down to business.
