

CALIBRATE® SERIES

Casegoods

AIS

IT'S ONE THING TO FURNISH A WORKSPACE. IT'S ANOTHER TO CALIBRATE IT.

Whether for private office, open plan, collaborative spaces, or formal conferencing, Calibrate brings a contemporary office aesthetic to a broad range of settings. And, it's flexible enough to be integrated with our entire portfolio of products. Regardless of how you use the Calibrate Series, you'll appreciate the finish choices, helpful storage ideas, and smart design details, all allowing you to calibrate your workspace your way.

Application: Open Plan | Product: Calibrate Up with Oxygen

EXTEND YOUR DESIGN POSSIBILITIES

Private offices often come with high expectations and Calibrate Extend delivers – from the ground up. With clean lines and a broad selection of storage options, it's easy to support user needs and preferences while ensuring a beautiful workspace.

YOUR CHOICE: UP OR DOWN?

Can you really have too many choices? That's the thinking behind Calibrate Extend and Calibrate Up. If you're looking to lighten the mood, Calibrate Up's elevated feet rise to the occasion. Or, bring things back down to earth with Calibrate Extend's grounded aesthetic. Either way, Calibrate lets your personality play out in private spaces.

Application: Private Office | Product: Calibrate Up

SEAMLESSLY INTEGRATED.
FULLY **ALIGNED.**

Blend the Calibrate Series with Oxygen benching, our Matrix System or Aloft height adjustable benching, and find new ways to optimize your open plan. With aligned dimensions and shared materials and finishes, seamless integration is possible for a unified interior.

Application: Open Plan | **Product:** Calibrate Extend with Aloft

CONNECT WITH CALIBRATE CONFERENCING

Get people doing their best work...together. Whether it's impromptu gathering spaces or formal presentation places, Calibrate Conferencing is designed for collaboration. Explore a wide range of tables, bases, and complementary conferencing elements to create a range of meeting spaces with ease.
