

# Edge

be on the edge of soft seating

**via**<sup>®</sup>  
SEATING

great things happen in a chair

It is time to be on the Edge.

Sit on the Edge. Define the Edge of class, the Edge of style, the Edge of mid-century modern sophistication. And then be carried over into a whole new world of comfort.

## Depth of versatility

Edge is lounge. It is collaborative. It is guest/side. It is conference. Edge is made for break out areas, for thinking spaces, for lobbies made to impress. With its depth of comfort, base options and multiple upholstery layouts, edge is soft seating wherever soft seating needs to be.

## features

- Compact yet spacious cradling shape.
- Unique options for multi-upholstery across inside, outside and seat cushion.
- Companion ottomans available.
- 400 lb weight capacity.
- 6 year warranty.

Design by  
Studio V

Studio V creates modern, sophisticated and original seating solutions that are ergonomic, beautiful and sustainable. This team of engineers and designers

are based at the Via Seating Factory in Reno NV, where they develop products using a prototyping lab, the latest in 3D modeling software and a materials testing center.
