

Proform[®]

designer task & conference seating

SEATING

great things happen in a chair

Designer stitch backs for task & conference seating.

Embrace the designer and ergonomic arch of the back lined with distinct stitch detail. The chairs are the perfect compliment to any conference, executive and management setting.

Unique stitching

Proform® upholstered backs are offered with panel (single horizontal line), parallel (multiple horizontal line) and diamond (diamond pattern) stitching across the sleek front and backs. Knit mesh backs feature parallel stitch lines.

features

- High & mid, mesh & upholstered, adjustable height or fixed backs.
- Choice of 3 different stitch patterns.
- Quick adjust advanced synchro and body balance mechanisms.
- Optional basic conference control.
- 12 year warranty (2 years for mesh).

Design by
Studio V

Studio V creates modern, sophisticated and original seating solutions that are ergonomic, beautiful and sustainable. This team of engineers and designers

is based in Reno, Nevada, where they develop products using a prototyping lab, the latest in 3D modeling software and a materials testing center.
