

UP SHIELD

The newest hardware in the market for height adjustable desk screens. A sleek design provides additional space for cords, monitors, and clamp-on power bars. The standard size acrylic sheet provides 24" above worksurface clearance and 4" below worksurface clearance for ultimate protection.

ACRYLIC - CLEAR (G133)

ACRYLIC - FROSTED (G132)

FRAME FINISHES

Silver, white, black.

SIZES

24"-72" W x 24"H
