## NARRATE YOUR STORY

Design can't be underestimated when creating a workplace culture. Narrate flips the script dramatically, emphasizing personality, while creating all the spaces people need to do their best work.

Every space has its own unique voice.

Narrate is here to capture your culture with custom graphics, mixed materials, and panels that go from bold to subtle, timeless to contemporary. Looking for inspiration? Narrate plays multiple roles and always looks the part.

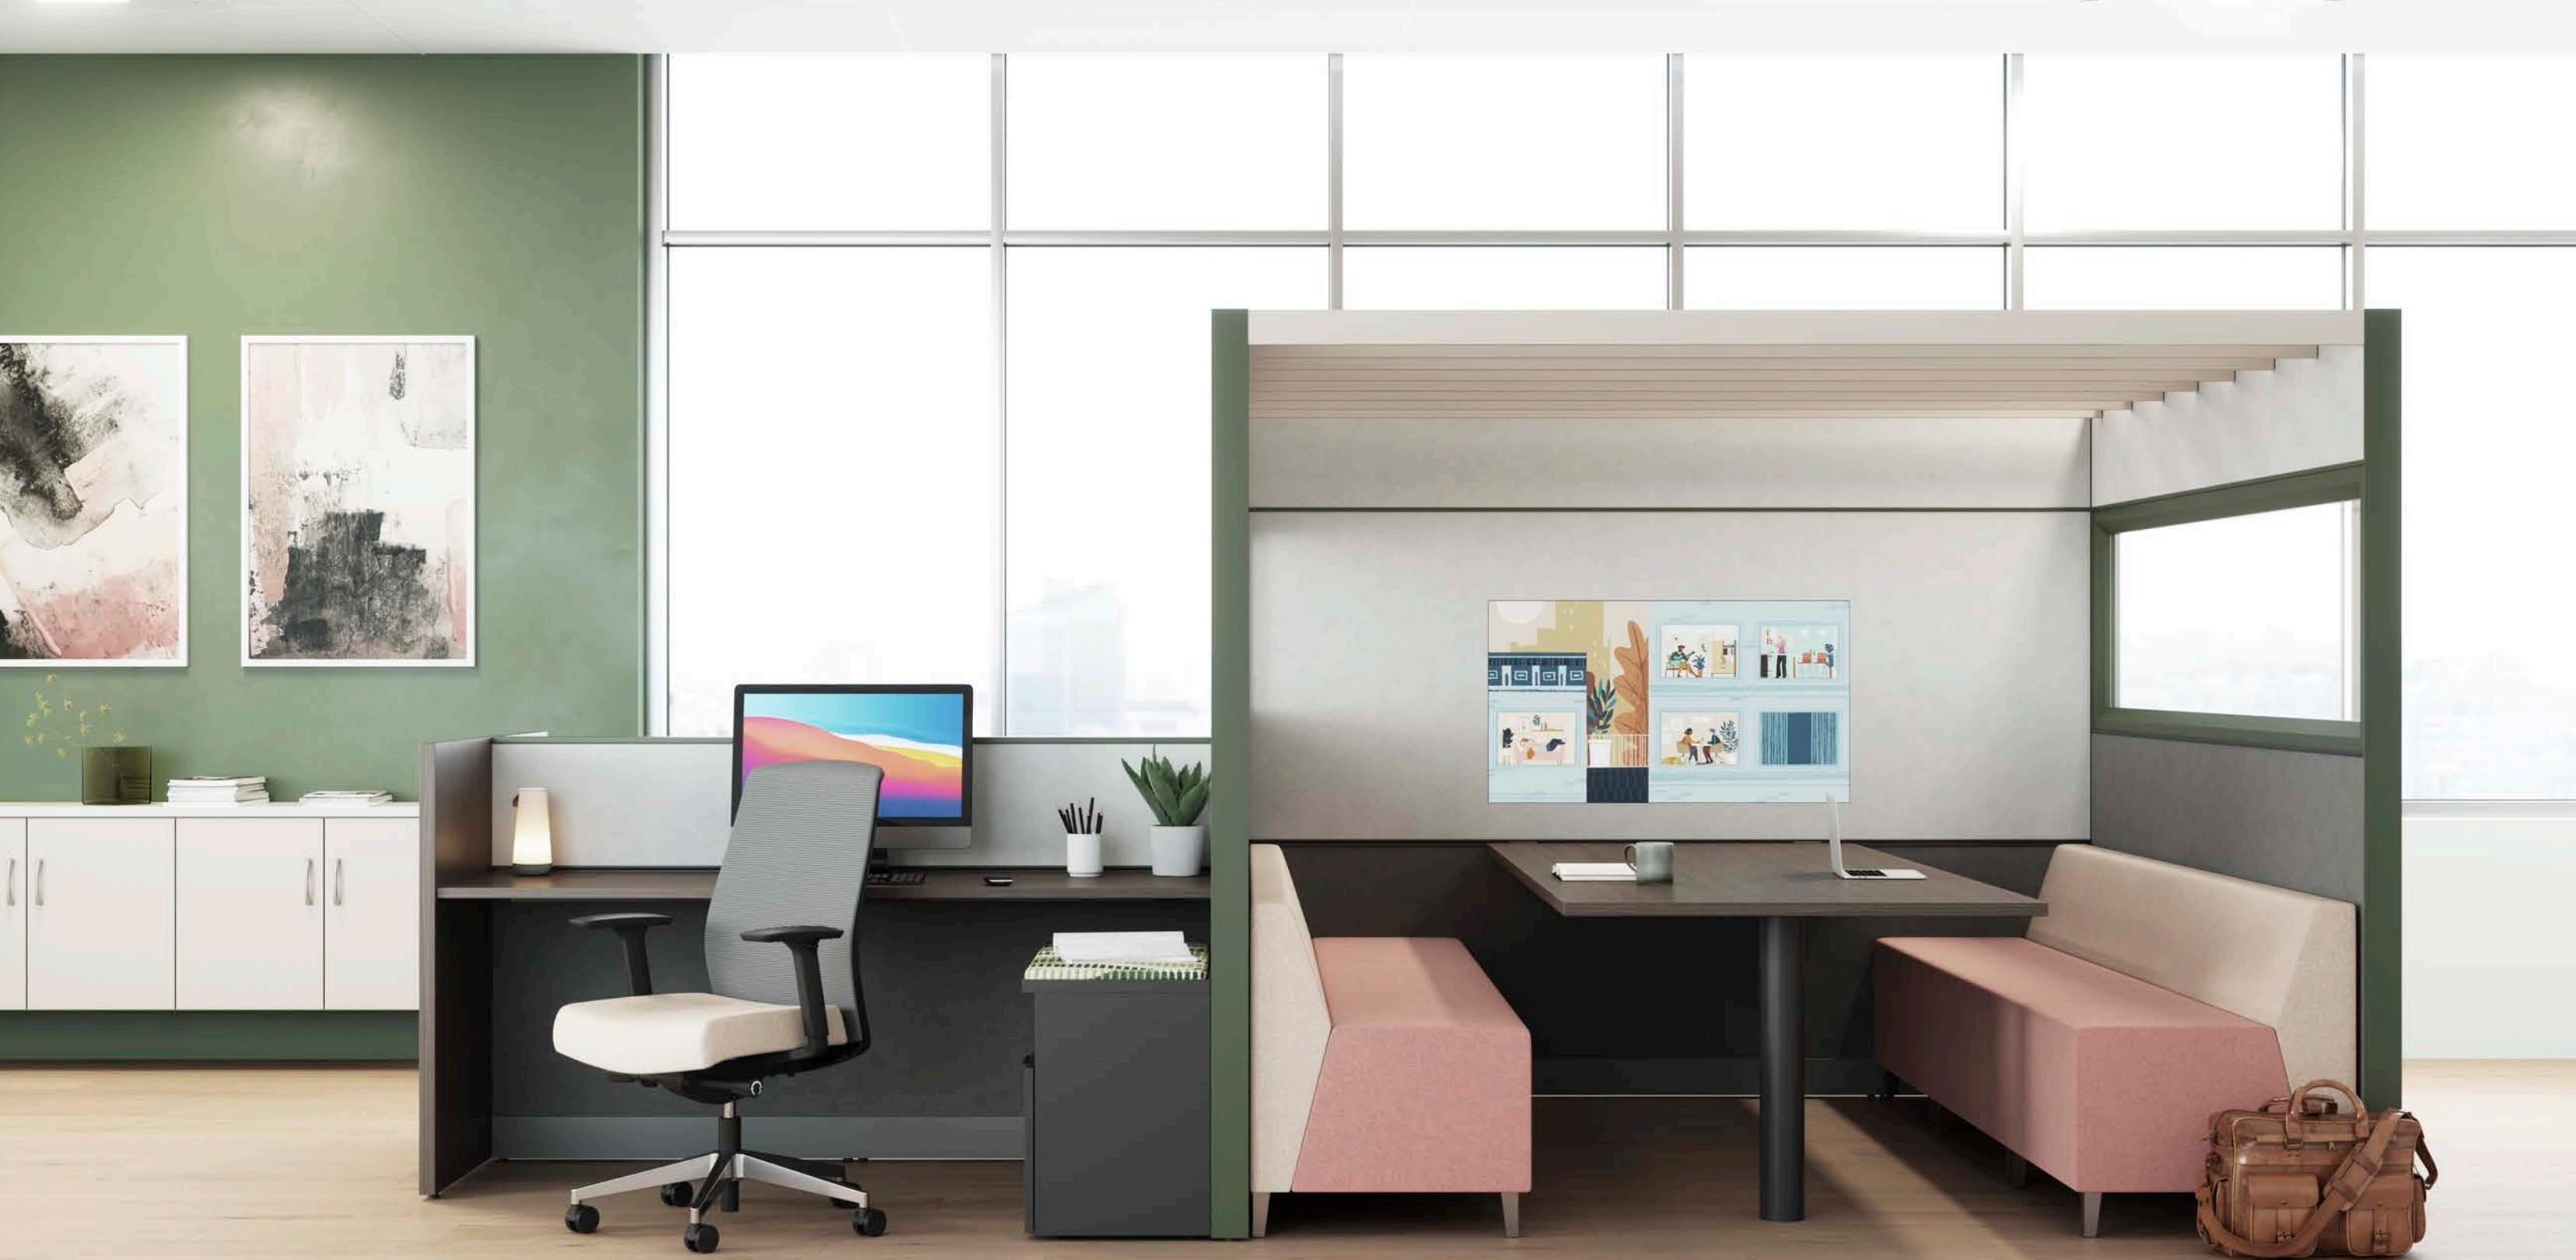

Let your brand story unfold through the expressive, flexible design system of Narrate.

## EVOLVING LANDSCAPE

Narrate looks at the office a little differently with fresh ideas for how to make the workplace more adaptable. The concept? Flexible solutions that offer choice and allow people to work in their own unique way that evolve along with the world of work.
