What you see is just the beginning. Priority can be a desk, shared workspace, or collaborative area. A multitude of styles and options offers more than a place to work—it offers a place to work your way.

Independent Style

Pullout drawers and writable doors compose the backdrop of this work environment—complete with a height-adjustable freestanding desk and paper storage below each overhead storage door.

Surround Yourself

What every employee needs—plenty of storage and surface space to spread out.

Maximize Space

Longer length metal bases have only a single center leg for an uncommonly clean design.
